The main area displays the 'Overview' tab for the 'Sales SM' model. A message states: 'This dataset is read-only. Request access so you can create a report, make changes, or for more options. [Learn more](#)'. Below this, there are tabs for 'Overview', 'Lineage', 'Monitor', and 'Permissions'. A section titled 'Make this item more discoverable by adding a description. Just start typing...' is visible. Below that, there are fields for 'Location' (Discover&connect_1Lk), 'Refreshed' (5/30/26, 5:27:42 PM), and 'Owner' (a redacted name). A 'Tables' section shows a table named 'sales' with a 'Table' type. A 'Filter by keyword' search bar is also present.
